Dear Friends,

On Saturday, May 30, 2020, the Foundation will host **Night at the Library, A Moveable Feast**, and we invite you to join us as a sponsor of this important Library fundraiser. We’ll jazz up the joint, sip prohibition era cocktails surrounded by the works of American literary greats who evoke the 1920s – Hemingway, Stein, Elliot, Fitzgerald, Hughes, Wharton and more. **The evening is sure to be the bee’s knees!**

In our first decade, incredible changes in technology impacted the Library. With partner and donor support, the Foundation ensured that the Library kept pace with the evolving needs of patrons by providing the Library with the resources to create a multi-purpose STEAM Lab, purchase iPads, add kid-friendly furniture, 3D printers, virtual reality, and technology training for all ages.

For the decade ahead, we are confident that with the support of prominent business and community leaders like you we can ensure that the Lafayette Library and Learning Center continues to offer innovative programs, resources and services for the benefit of our community. Please join us!

Thank you,
