2018
Annual Report

Letter from the President and Executive Director

Thank you!

Community, collaboration, and opportunity are words we often hear when talking about the Lafayette Library and Learning Center (LLLC). They are also reflected in the LLLC Foundation mission, and inspire our efforts on behalf of the Library. Thanks to our generous donors and sponsors the Lafayette Library and Learning Center Foundation (LLLCF) ensures the LLLC thrives as a community gathering place, and collaborates with Bay Area partners to provide lifelong learning opportunities, and access 7-days a week to Library resources and services.

Through our collaboration with UC Berkely's English Department and the Simpson Family Literary Project we were thrilled to welcome into the community award-winning author Joyce Carol Oates as the first Writer-in-Residence at the Lafayette Library.

Thanks to donor support at *Night at the Library*, the ever changing, growing, needs of our youngest patrons were addressed with colorful new child sized tables and chairs, providing new opportunities for our youngest readers.

These are two highlights of the past year. We invite you to visit the Library, sign up for our weekly newsletter and continue your support for the Lafayette Library.

With gratitude,

Victoria DeMoss
Board President

Beth Needel
Executive Director

2017—2018 LLLC Foundation Board of Trustees

Financial Report

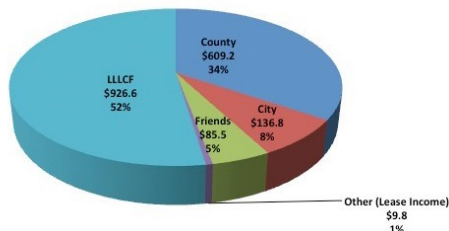

The fiscal strength of the Lafayette Library and Learning Center Foundation (LLLCF) comes from your continued support and ongoing financial contributions. It is a reflection of the community's belief in the value the Lafayette Library and Learning Center brings to the community and the need for its long-term sustainability.

On behalf of LLLCF's Board of Trustees and its finance committee, it has been our privilege to steward your donations this past fiscal year. We trust that our Board, working in consort with the community, will ensure that the Library will be funded for many years to come!

With gratitude,

Rita Iorfida
Treasurer

Great Programs

A commitment to bringing enriching experiences to the community inspires the close to 1,000 annual programs hosted at the Lafayette Library and Learning Center. More than 35,000 attendees enjoyed engaging conversations with award-winning authors, inspiring science programs, hands-on art projects, special events, music, and art programs.

Community Partner Programs

MakerFest

The Foundation collaborates with **community partners** to create several free community events. For the fourth summer, the Foundation worked with Library staff to create a **MakerFest** for hundreds of “makers” of all ages.

More than 400 “makers” enjoyed hands-on activities ranging from high tech robotics, candy sushi making, and 3D printing to Ukrainian egg decorating, and battery operated paper helicopters.

Dogtown Downtown featuring a parade from Plaza Park to the Library amphitheatre.

The Little Fall Music Fest included toe tapping bluegrass, flamenco dancing and the crowd favorite Dirty Cello. Music Fest is hosted by the Library and the Foundation, with mouth watering barbeque grilled by volunteers from the **Lafayette Rotary Club**.

Simpson Family Literary Project

The Simpson Family Literary Project is the result of a private/public partnership between the Lafayette Library and Learning Center Foundation, UC Berkeley's distinguished English Department, and Contra Costa County Library.

The prize annually recognizes a writer who is in the relatively middle stage of a burgeoning career and has earned a distinguished reputation and the approbation and gratitude of readers. In addition to establishing a national literary prize of \$50,000, the project promotes and pursues lasting educational outreach into schools, university, and libraries, and honors and supports authors across a great spectrum. The Project's initiatives include teaching creative writing to high school-age writers and establishing a writer in residence program at the Lafayette Library and Learning Center.
